! WARNING Adult assembly required. Small parts – choking hazard.

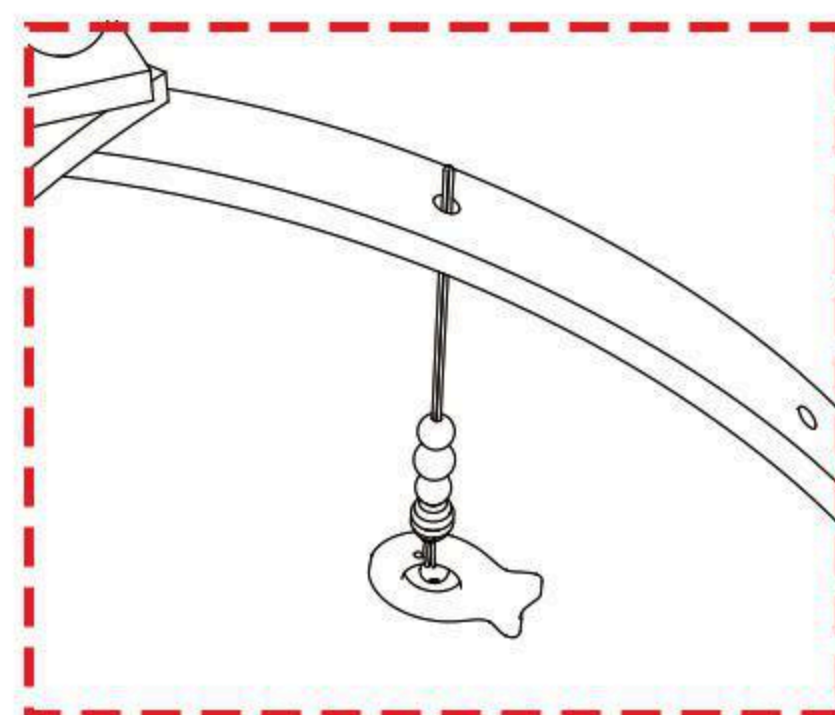

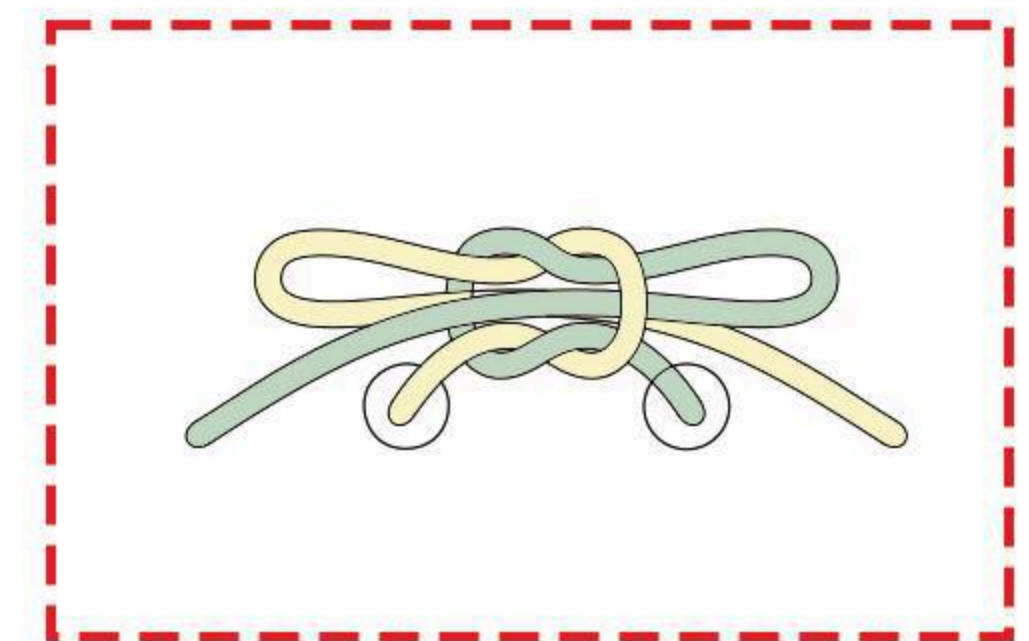

Please thread the straps of the floor mat through the holes of frame, and tie a knot following the method shown below.

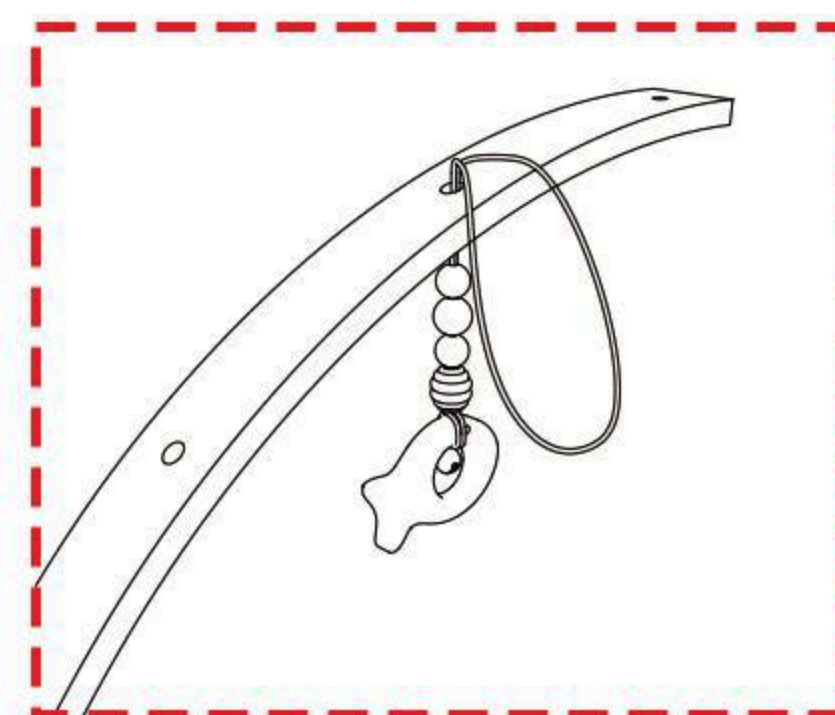

step1:

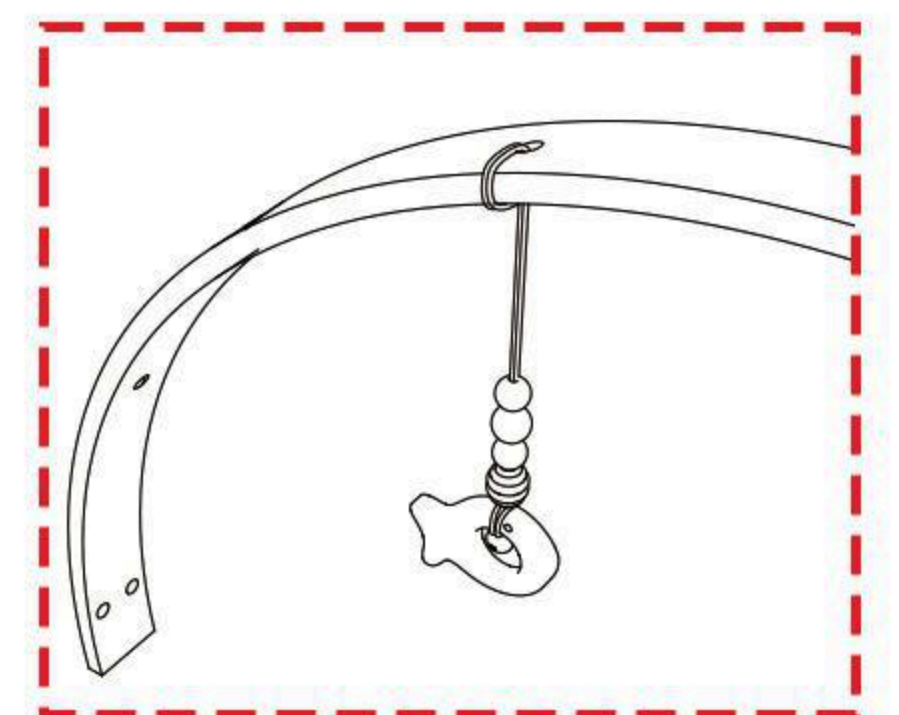

step2:

step1

step2

step3

Please tie the toys to the frame according to the following steps:

Step 1: Pass the rope through the holes of frame.

Step 2: Stretch the rope and thread the toy through it.

Step 3: Pull the rope tight.

Repeat above steps until the other two toys are also tied on.
